## **Commitment to Excellence:**

Pinellas MYcroSchool is committed to providing students with a safe learning environment. A safe learning environment is one that is free of ridicule, drugs and alcohol, drama, and fighting.

As a Pinellas MYcroSchool student, you are required to meet and maintain the following expectations at all times:

1. Place your cell phone in the locker where it will remain until your Academic Session is over. The school contact information will be provided to all of your contacts so they may contact the school directly in the case of any emergency.
2. Arrive at school on time, enter into the building and signing in to report to your first period class.
3. Arrive at school in uniform.
4. Exit school when dismissed by your last period teacher. Loitering outside the neighboring buildings is not permitted.
5. Appropriately notify your teacher when you need assistance and follow your instructors' direction at all times.
6. Do your own work at all times. Copying the work of others or giving your work to others to copy is cheating and will be dealt with accordingly.
7. Earn a minimum of 25 hours of class time per week.
8. Treat everyone you encounter with respect at all times.
9. Conduct yourself in an adult-like manner at all times.
10. Adhere to all rules and requirements as defined in this Student Handbook.

## Post-Secondary Readiness Block

The Post-Secondary Readiness Block (PSR) block is scheduled as a community placement/community connection and must link directly to your coursework through content and/or readiness standards. Students must remain in the building unless they have documented evidence that they are participating in a PSR experience. Evidence may include:

- ❖ Approved supervised on-the-job-training.
- ❖ Approved supervised volunteer services.
- ❖ Approved Florida Virtual Course.
- ❖ Other projects with administrative approval.

## TRANSPORTATION POLICY

### Bus Passes:

Students will receive a free, county-wide bus pass for the PSTA bus system by attending school on a daily basis and meeting the required 25 hours a week of class time requirement.

- Bus passes will be awarded to qualifying students upon completion of orientation to the MYcroSchool educational program.
- Students must be in attendance for the full morning or afternoon session in order to receive a bus pass, with no more than 5 absences per month.
- If a student loses his or her bus pass privileges due to unexcused absences, the student must regain bus pass privileges when 10 consecutive days of attendance have been logged by the student.
- Poor school attendance can cause the revocation of your student pass privileges.
- **School administration reserves the right to permanently revoke bus pass privileges based on poor school attendance.**

## ATTENDANCE POLICY

### Statement of Policy

School attendance underscores the significance of learning and the importance of obtaining an education in our society, in addition to helping students develop good work habits that will carry over in life. Good attendance also correlates strongly with improved grades. A minimum level of attendance is required for attainment of the Florida State Standards (FSS) curriculum. The responsibility of school attendance is that of both parents and students. Students who have ten or more unexcused absences are in danger of retention and are subject to withholding of credits.

## **Definitions**

**Truant** - any child subject to compulsory attendance who, during the school calendar year, has more than 15 unexcused absences within a 90 day period.

## **Compulsory Attendance**

Florida Statute Section 1003.21 ([www.fldoe.org](http://www.fldoe.org)) requires that all children who have attained the age of six years old or who will have attained the age of six years by February 1<sup>st</sup> of any school year, or who are older than six years of age but have not yet attained the age of 16 years, except as hereinafter provided, are required to attend school regularly during the entire school term. (F.S. 1003.21(2)(c))

**Excused Absences** - Florida law allows a student to be excused from school for the following reasons:

- A. Personal illness
- B. Illness or death in the immediate family
- C. Special recognized religious holidays observed by the student's faith
- D. Mandates by order of a governmental agency
- E. Conditions rendering school attendance impossible or hazardous to the safety of the student.

Appropriate documentation must be submitted to the school to validate that the day missed is an excused absence. The Principal has the authority to require additional proof of the legitimacy of the excuse. For example, the Principal may require doctor's statements justifying the absence of the student, and may require proof that the child's condition rendered the child incapable of attending school.

The student will be allowed to make up work only for legal absences. The teacher is not to allow any make-up work for illegal absences except with administrative approval. The parent/guardian must contact the school or send a written note of explanation every time his or her child is absent or tardy. This information will be taken into consideration by the administrator in determining if the absence is excused or unexcused.

**TO REPORT ABSENCES, PLEASE CALL:  
Pinellas MYcroSchool  
Phone: 727-825-3710**

## **PRE-ARRANGED ABSENCES**

If it is known in advance that a student is to be absent, the parent/guardian or student should give notice to the administration and teachers, if appropriate.

## **Attendance Procedures**

If you are TARDY to class or if you have been ABSENT from class:

- Report to **Administrative Staff**:
  - If you have documentation from a doctor, you are **excused**.
  - If you have documentation from a parent or guardian, employer, or other verifiable source), you may be **excused**.
  - If you have no documentation, you are **unexcused**.

**All unexcused tardies/absences can be changed to excused if you bring documentation the next school day.**

## **RE-ADMISSION TO CLASSES**

Following an absence from school, it is the responsibility of the student to present written documentation from a parent/guardian stating the date and reason for the absence. It is also the responsibility of the student to meet with the instructor in order to obtain make-up work for any assignments that were missed.

Students will not need documentation from a parent/guardian for absences that are a result of participation in any activity sponsored by the school such as field trips, athletic events, contests, etc.

# **EMERGENCY PROCEDURES**

## **EMERGENCY CLOSING OF SCHOOL: LISTEN TO NEWS REPORTS**

For weather-related issues, information regarding closing of schools and cancellation/postponement of activities will be announced over TV and radio stations.

**The school will send out informational calls via our School Messenger auto call system.**

## **FIRE DRILLS**

Fire drills are conducted on a monthly basis throughout the year without advance notice.

The sounding of an electric buzzer is the signal to vacate the building for practice or because of a fire.

With their teachers, students must leave their respective classrooms, walking rapidly, but not running.

Teachers will provide specific instructions for fire drills.

Students must clear the building, report to the designated area, and return to the building ONLY when the “all-clear” signal is given by authority and the drill is completed.

## **BATHROOM USE AND HALL PASSES**

Time on task is essential for success. Students should make every effort to use the restroom before or after classes. Restroom use during class time will only be permitted only in case of an emergency.

Bathroom Passes and Hall Passes are required anytime a student is outside of the classroom during instructional time. Students outside of class during session will be referred back to classrooms for appropriate passes from their teachers or to administration.

## **FOOD AND DRINK**

As a Community Eligibility Program (CEP) school all enrolled Pinellas MYcroSchool students qualify for meals at no charge. Free breakfast is provided to morning session students. Free lunch is provided to afternoon session students. Students may bring meals from home. **Meals will be eaten only during the first 15 minutes of class.**

*The principal and all school staff have the authority to decide if your clothing complies with school policy.*

If the principal or staff determine that your clothing does not comply with school policy, your parent/guardian may be asked to bring an appropriate change of clothes to school, or you may be asked to leave, which will result in an unexcused absence from school. You may also receive a disciplinary consequence for violating the school’s dress code policy. Repeated violations may result in progressively more serious consequences.

## **ELECTRONIC/ENTERTAINMENT DEVICES**

Students are not to bring MP3 players, iPods, CD players, or other electronic/entertainment equipment to school.

## **CELLULAR PHONE/TELEPHONE USE**

All students making an application for admission to a post-secondary institution must sign a permission form that enables the school to send records when requested in writing by the student.

## **STUDENT RECORDS**

State laws require that academic records and also those of disciplinary records be treated in a specific manner. It also makes provision for a student and his parents to have access to the student's complete records. It further requires the school to protect the student's rights to privacy by controlling the release of records to outside agencies. Release of records to outside agencies such as colleges, employers, etc., can be made only with the written authorization of parents or guardians for students less than 18 years of age, and for students over 18, written authorization from the student him/herself. Students, parents, and guardians must be allowed to examine the student's records upon their request. d. “Internet” means a global collection of interconnected computers and networks that use TCP/IP (Transmission Control Protocol/Internet Protocol) to communicate with each other. The Internet provides a means for file transfer, remote login, e-mail, news groups, and other services, including access to the World Wide Web.

e. “Intranet” means a computer network designed to be used within a particular organization. An intranet is so named because it uses much of the same technology as the Internet, including TCP/IP. Web browsers, e-mail, newsgroups, HTML documents, and Web sites are all found on intranets.

f. “Listserv” means an automatic distribution method for e-mail on the Internet. Users can subscribe to a listserv, typically a discussion list, and receive copies of e-mail sent to the list by other subscribers.

g. “Server” means a computer running administrative software that controls access to a network and its resources, such as printers and disk drives, and provides resources to computers functioning as workstations connected to the network.

h. “Users” means all employees, independent contractors, consultants, temporary workers, and other persons or entities who use the MYcroSchool Net, wherever they are located.

i. “Virus” means a destructive program that infects computer files and systems, often with destructive results (e.g., loss of data, unreliable operation of infected software and systems).

j. “World Wide Web (WWW or Web)” means a hypertext-based, graphical user interface for locating and accessing information on the Internet.

- k. "Workstation" means the individual computers assigned to one or more Users.

You may use MYcroSchool Net resources only for classroom activities, career development, and facilitator-approved activities, including e-mail and research on the Internet. You may not use MYcroSchool Net for personal reasons during class time and you may not receive or initiate any unauthorized e-mail. You may not use MYcroSchool Net for access to networking sites which include but are not limited to Facebook, Plaxo, LinkedIn, Twitter, and MySpace. You must obey all MYcroSchool policies, as well as all software licenses, copyrights, local, state, federal, and international laws in your use of MYcroSchool Net.

### 4. No Expectation of Privacy

a. Academic Purposes Only: MYcroSchool Net is provided to you for academic activities only. You cannot expect that anything you create, store, send, or receive using MYcroSchool Net will be private. Your files, your e-mail, and/or the history of Web sites you have visited may be read by MYcroSchool if the administration believes you may have violated this Policy, the discipline code, the Academic Honesty Policy, or the law. Your data may be given to law enforcement authorities in an investigation of illegal activities. Your parent or legal guardian may request to see your files.

b. Monitoring of Internet Use: Files and e-mail are backed up on a regular basis; therefore, their contents may still be available even though you have deleted them. The history of Web sites you have visited is monitored and recorded.

c. Waiver of Privacy Rights: You expressly waive any right of privacy, as to MYcroSchool, in anything you create, store, send, or receive using MYcroSchool Net. You understand and consent to MYcroSchool's use of human and/or automated means to monitor the use of MYcroSchool Net, including e-mail and Internet access.

### 5. Restriction of Free Speech

MYcroSchool Net is not a public access service or a public forum. MYcroSchool has the right and responsibility to restrict material, including text, graphics, and all other forms of expression, that you access, post, or store on the system.

### 6. Inappropriate or Unlawful Material

a. Prohibited Material: You may not intentionally create, post, send, display, or store information that:

1. IS A PERSONAL, PREJUDICIAL, OR DISCRIMINATORY ATTACK ON A PERSON OR GROUP;
2. IS FALSE OR DEFAMES A PERSON, GROUP, OR ORGANIZATION;
3. COULD DAMAGE OR DISRUPT THE NORMAL ACTIVITIES OF MYCRO SCHOOL OR MYCRO SCHOOL NET;

4. COULD CREATE A THREAT TO PUBLIC SAFETY OR SECURITY OR THREAT TO THE SAFETY AND SECURITY OF ANY INDIVIDUAL OR GROUP; OR
5. IS FRAUDULENT, EMBARRASSING, OBSCENE, PROFANE, SEXUALLY EXPLICIT, LEWD, VULGAR, RUDE, INFLAMMATORY, THREATENING, DISRESPECTFUL, UNLAWFUL, OR INAPPROPRIATE.

b. Harassment: You must not use MYcroSchool Net to harass, intimidate, or threaten anyone, MYcroSchool students, teachers, and staff. This means you may not repeatedly act in a manner that threatens, distresses, or annoys another person. Harassment includes, but is not limited to, sending e-mail or posting text or graphic images that threaten or demean on the basis of race, age, gender, ethnicity, religion, political beliefs, disability, or sexual preference. Text or images that are displayed but not sent to a specific recipient (such as screen wallpaper or screen savers) may be interpreted as harassment.

c. Responsive Measures: If you encounter or receive such material, you should immediately report the incident to your direct supervisor, Site Administrator, or Director of Information Technology. If you are told by another person to stop sending the messages, you must stop.

## 7. Illegal Activities

You must not, under any circumstances, use MYcroSchool Net to encourage, plan, help, commit, or conceal any illegal activities, including but not limited to, arranging the sale or purchase of drugs, arranging the sale or purchase of alcohol, engaging in criminal gang activity, threatening the safety of any individual or group, or engaging in any other illegal act.

## 8. Commercial Activities

You may not use MYcroSchool Net to engage in any commercial activities, including but not limited to, buying or selling or offering to buy or sell any goods or services using MYcroSchool Net. You may not provide any commercial services using any MYcroSchool Net resources.

## 9. Intentional Harm

a. Disruption of MYcroSchool Net: You must not try to disrupt MYcroSchool Net intentionally. This means that you must not try to gain control or modify any part of MYcroSchool Net either through your own or someone's account (whether or not it was freely given to you) or by hacking the system.

b. Improper Activities: You may not use MYcroSchool Net to improperly access, hack, modify, or cause harm to any other computer system or Web site. You may not improperly read, write, modify, or delete any files on any other system or Web site. You may

not use MYcroSchool Net intentionally to introduce viruses or any other form of malicious or destructive software to MYcroSchool Net or any other system or Web site.

c. Modification or Deletion of MYcroSchool Net Resources: You must not vandalize any hardware or software in MYcroSchool Net. This means you must not destroy, damage, or deface any hardware equipment without prior written authorization from the Director of Information Technology or his/her designee. You must not change, delete, reverse engineer, disassemble, modify, revise, adapt, recast, transform, or decompile any software application that is accessible through MYcroSchool Net. You must not change or delete any data that does not belong to you. If you become aware of any misuse of software or violation of copyright law, you should immediately report the incident to your direct supervisor.

## 10. System Security

a. Security of Passwords: You must not share your access to MYcroSchool Net with anyone, and you must be careful to prevent anyone else from using your account. You are responsible for safeguarding your passwords for access to MYcroSchool Net. This means you may not give anyone else any of your passwords and you must keep them secret, even if the person already has an account. Passwords should not be printed or stored online. You must not provide anyone with information that might allow them to gain improper access to MYcroSchool Net. You are responsible for all transactions using your passwords. You may not access MYcroSchool Net using another's password or account.

b. Passwords Do Not Imply Privacy: Use of passwords to gain access to the MYcroSchool Net or to encode particular files or messages does not imply that you have an expectation of privacy in the material you create or receive on MYcroSchool Net. MYcroSchool has global passwords that permit it access to all material stored on its computer system -- regardless of whether that material may have been encoded with a particular User's password.

c. Security Failures: If you believe that the security of MYcroSchool Net has been compromised by hacking, a virus, or any other means, you must report the problem immediately to a teacher or staff member. If asked, you must shut down your workstation immediately in case of a security problem.

d. Probing of MYcroSchool Net: You must not try to probe any MYcroSchool Net resources for security problems or weaknesses; such an activity could be interpreted as an effort to gain improper access.

e. Accessing Another User's Files: You may not alter or copy a file belonging to another User without first obtaining permission from the owner of that file. The ability to read, alter, or copy a file belonging to another User does not imply permission to read, alter, or copy that file. Users may not use the computer system to "snoop" or pry into the affairs of others by unnecessarily reviewing their files and e-mail.

f. Accessing Other Computers and Networks: Your ability to connect to other computer systems using the MYcroSchool Net or by a modem does not imply a right to

connect to those systems or to make use of those systems unless specifically authorized by the operators of those systems.

g. Computer Security: You are responsible for ensuring that your use of outside computers and networks, like the Internet, will not compromise the security of the MYcroSchool Net. This duty includes taking reasonable precautions to prevent intruders from accessing MYcroSchool Net without authorization and to prevent the introduction and spread of viruses.

h. Restricted Activities: Without prior written authorization from the Director of Information Technology or his/her designee, you must not do any of the following:

- (1) COPY SOFTWARE FOR USE ON YOUR HOME COMPUTER OR PROVIDE COPIES OF THE SOFTWARE TO ANY INDEPENDENT CONTRACTORS OR CONSULTANTS OF MYCROSCHOOL OR TO ANY THIRD PERSON.
- (2) LOAD ANY SOFTWARE ON ANY WORKSTATION, INCLUDING YOUR OWN, OR ON ANY SERVER. THIS INCLUDES SOFTWARE DEMOS, SHAREWARE, AND FREeware THAT YOU HAVE BOUGHT, DOWNLOADED FROM THE INTERNET, WRITTEN YOURSELF, OR OBTAINED BY ANY OTHER MEANS.
- (3) CHANGE THE SYSTEM SETUP OF ANY WORKSTATION OR SERVER. IF YOU NEED SOFTWARE LOADED, DELETED, OR UPDATED, OR YOUR SYSTEM SETTINGS CHANGED, YOU MUST CONTACT A MYCROSCHOOL TEACHER OR STAFF MEMBER.

## 11. Use of E-mail

a. In General: You should endeavor to make your electronic communications truthful and accurate. You should use the same care in drafting e-mail and other electronic documents as you would for any other written communication. The quality of your writing will reflect on MYcroSchool. Always strive to use good grammar and correct punctuation. Please keep in mind that anything created or stored on the computer system may, and likely will, be reviewed by others and that even deleted files may be recovered.

b. Etiquette Guidelines: In preparing e-mail and other electronic communications, the following guidelines should be followed:

- (1) IDENTIFY YOURSELF AND THE PURPOSE OF THE MESSAGE. WRITE A SUBJECT LINE THAT IS CONCISE AND DESCRIPTIVE;
- (2) DON'T BE VERBOSE. AS PUBLISHER AND EDITOR OF THE MESSAGE, AVOID WRITING LONG, RAMBLING SENTENCES THAT DO NOT GET THE POINT ACROSS. EFFECTIVE USE OF E-MAIL REQUIRES SHORT, COHERENT SENTENCES AND EFFECTIVE PUNCTUATION. A CONVERSATIONAL STYLE IS PREFERRED OVER A FORMAL STYLE;
- (3) BE CAREFUL WITH HUMOR. TRY NOT TO ANNOY SOMEONE WITH A THOUGHTLESS JOKE OR IRONIC STATEMENT THAT MAY BE TAKEN THE WRONG WAY;
- (4) DON'T USE ALL CAPITAL LETTERS. TYPING A MESSAGE IN UPPERCASE LETTERS IS KNOWN IN THE E-MAIL WORLD AS SHOUTING, AND MAKES THE MESSAGE MORE DIFFICULT TO READ; AND
- (5) PAUSE AND REREAD THE MESSAGE BEFORE SENDING IT.

c. Altering Attribution Information: You may not alter the “From” line or other attribution of origin information in e-mail, messages, or postings. Anonymous or pseudonymous electronic communications are forbidden.

d. Forwarding E-mail: You should use your good judgment in forwarding e-mail to any other person or entity. When in doubt, request the sender’s permission to forward the message.

e. Attorney-Client Communications: E-mail sent from or to an attorney representing MYcroSchool should include the following warning header on each page of the message: “ATTORNEY-CLIENT PRIVILEGED/DO NOT FORWARD WITHOUT PERMISSION.”

f. Additional Guidelines: You are prohibited from sending or threatening to send a sufficient number of electronic mail (“e-mail”) messages to another person to overload, interfere with, or cripple his/her e-mail system (including but not limited to “e-mail bombs”). Additionally, you are prohibited from accessing another person’s e-mailbox, intercepting another person’s e-mail message(s) and/or reading, repositioning, or destroying e-mail messages which are addressed to or otherwise intended for another individual. You may not use MYcroSchool Net to transmit unsolicited e-mail or other electronic communications. You may not transmit unsolicited e-mail to any e-mail address found on MYcroSchool Net or to anyone whose e-mail address includes a domain used on this site. You may not use the MYcroSchool Net domain name as a pseudonymous return e-mail address for any communications.

## 12. Viruses

a. Virus Detection: Viruses can cause substantial damage to computer systems. You are responsible for taking reasonable precautions to ensure that you do not introduce viruses into the MYcroSchool Net and for timely reporting discovered viruses to your immediate supervisor. To that end, all material received on floppy disk or other magnetic or optical media and all material downloaded from the Internet or from computers or networks that do not belong to MYcroSchool MUST be scanned for viruses and other destructive programs before being placed onto the MYcroSchool Net. You should understand that your home computers and/or laptops may contain viruses. All disks transferred from these computers to the MYcroSchool Net MUST be scanned for viruses.

b. Preventing the Spread of Viruses: To prevent the spread of viruses, you must do the following:

- (1) Scan your individual hard disks for viruses at least once a month;
- (2) Obtain prior approval from the Director of Information Technology or his/her designee before installing or loading any software or data, including demos, shareware, or freeware, on any of MYcroSchool’s workstations or servers;
- (3) Obtain prior approval from the Director of Information Technology or his/her designee before downloading, transmitting, or otherwise electronically exchanging computer files with sources outside of MYcroSchool system; and

- (4) Avoid using disks and other removable storage media on more than one computer system.

### 13. Encryption Software

- a. Use of Encryption Software: You may not install or use encryption software on any of MYcroSchool's computers without first obtaining written permission from the Director of Information Technology or his/her designee. You may not use passwords or encryption keys that are unknown to your supervisors.

- b. Export Restrictions: The federal government has imposed restrictions on the export of programs or files containing encryption technology (e.g., e-mail programs that permit encryption of messages and electronic commerce software that encodes transactions). Software containing encryption technology shall not be placed on the Internet or transmitted in any way outside the United States without prior written authorization from the Director of Information Technology or his/her designee.

### 14. Internet Access

- a. Non- MYcroSchool Related Internet Use: The use of the Internet is a privilege and not a right. You may not use MYcroSchool Net to visit any Internet sites that are not directly related to academic or career development activities. MYcroSchool Net monitors and records the history of Internet usage for each workstation. Internet users are prohibited from creating, receiving, uploading, downloading and/or transmitting inappropriate material as described in Section 6 of this policy.

- b. Offensive Material: Many Internet sites contain information that is defamatory, inaccurate, abusive, profane, sexually oriented, threatening, racially offensive, or illegal. It is your responsibility to avoid visiting any such site or any other inappropriate site. *MYcroSchool does not approve any use of these materials and does not permit use of them in the school environment.* You *must not* bring such materials into the school environment, and you *must not* access such materials at any MYcroSchool site, or on any MYcroSchool equipment. If you violate the rules set forth in this Policy you will lose your privilege to use the Internet and you may be subject to additional disciplinary action described in Section 18 of this Policy.

- c. Firewall: To ensure security and avoid the spread of viruses, you must access the Internet through an approved Internet firewall when using a computer attached to MYcroSchool Net. Accessing the Internet directly, by modem, from a workstation is strictly prohibited unless the computer is not connected to MYcroSchool Net.

### 15. Personal Safety

- a. Personal Information: You may not jeopardize your personal safety or the safety of anyone else through MYcroSchool Net. This means you may not post any personal contact information about yourself, students, trainees, teachers, staff, friends, or relatives. You may not give your name, address, telephone number(s), home address, school address, work address, photograph, credit card number, social security number, or any other information that

could identify you to anyone except MYcroSchool staff. You must not give contact information to anyone else, whether or not the person asks you to do so.

b. Parent/Guardian Approval: Students may not agree to meet with someone you have met online without your parent/guardian approval; your parent/guardian should accompany you if you do meet with someone. You must promptly inform a MYcroSchool teacher or staff member or parent/guardian if you receive any message that is inappropriate or makes you feel uncomfortable.

## 16. Resource Limits

a. Waste of MYcroSchool Net Resources: MYcroSchool Net resources are limited; therefore, you must use them responsibly. You may not deliberately perform acts that waste MYcroSchool Net's resources or unfairly monopolize resources to the exclusion of others. These acts include, but are not limited to, downloading files (including videos and music files) that are not related to your educational objectives, e-mailing mass mailings and chain letters, engaging in spam (sending e-mail to a large number of recipients who have not requested it), subscribing to a non-MYcroSchool related listserv, spending excessive time on the Internet, playing games, engaging in non-MYcroSchool related online chat groups, printing multiple copies of documents or otherwise creating unnecessary network traffic. You may subscribe only to news groups that are related to your educational objectives.

b. Large File Transfers: You should schedule communications-intensive activities such as large file transfers, mass e-mailings, and streaming audio or video for off-peak times (i.e., before 8:00 a.m. and after 3:00 p.m., Monday through Friday). Because audio, video, and picture files require significant storage space, these types of files may not be downloaded unless they are MYcroSchool related. All files that are downloaded must be scanned for viruses and other destructive programs.

## 17. Plagiarism and Copyright Violation

a. Plagiarism: You may not use MYcroSchool Net to plagiarize. This means you may not copy the ideas or writing of someone else and present it as your own, even if it is just part of someone else's work.

b. Copyrights: MYcroSchool respects the intellectual property rights of others and expects that users of the MYcroSchool Network do the same. You may not use MYcroSchool Net to violate copyrights. This means that you must not improperly reproduce a work that is protected by copyright, such as music, art, photographs, and literature. If you are unsure whether you can use a work, you should request permission from the copyright owner or ask your MYcroSchool teacher or supervisor. If you believe that a user of the MYcroSchool Network has infringed your intellectual property rights please notify the lead administrator in charge of IT for MYcroSchool.

## 18. Disciplinary Actions

a. In General: Violation of this Policy may result in disciplinary action. If you are accused of a violation, you will receive a written notice of the violation, and you may offer an explanation to a neutral administrator.

b. Types of Disciplinary Actions: Discipline may include, but is not limited to, the following actions:

1. ACCESS TO MYCRO SCHOOL NET MAY BE DENIED FOR A SPECIFIC PERIOD, OR PERMANENTLY;
2. SUSPENSION FROM MYCRO SCHOOL FOR A SPECIFIED PERIOD;
3. REMOVAL FROM THE PROGRAM;
4. PAYMENT OF DAMAGES TO COMPENSATE MYCRO SCHOOL FOR LOSS OF TEACHER AND/OR STAFF TIME, DAMAGE TO MYCRO SCHOOL NET (HARDWARE AND/OR SOFTWARE), ATTORNEY'S FEES, ETC.; AND
5. CRIMINAL CHARGES UNDER LOCAL, STATE, OR FEDERAL LAWS

c. Revocation of Access; Illegal Activities: If your access is revoked, information you have stored on MYcroSchool Net, including files and e-mail, may be withheld from you. MYcroSchool will cooperate fully with local, state, or federal officials in any investigation of illegal activities conducted through MYcroSchool Net.

## 19. Limitation of Liability

a. No Guarantee of MYcroSchool Net Resources: MYcroSchool makes no guarantee that the functions or services provided by or through MYcroSchool Net will be error-free or without defect. MYcroSchool will not be responsible for any damage you may suffer, including, but not limited to, loss of data or interruption of service. MYcroSchool is not responsible for the accuracy or quality of the information obtained through or stored on MYcroSchool Net. MYcroSchool will not be responsible for financial obligations arising through your unauthorized use of the MYcroSchool Net.

b. Parental Notice; Offensive Material: Parents/guardians of MYcroSchool students will receive written notice that MYcroSchool students will have access to the Internet. Parents/guardians of MYcroSchool students will also receive written notice of the rules for Internet users which are contained in this Policy. MYcroSchool is not responsible for material you view or download from the Internet. MYcroSchool does not control the content of information or resources accessible on the Internet. The Internet is a worldwide network of computers that contains millions of pages of information. You are cautioned that many of these pages include offensive, sexually explicit, and inappropriate material. In general, it is difficult to avoid at least some contact with this material while using the Internet. Even innocuous search requests may lead to sites with highly offensive content. In addition, having an e-mail address on the Internet may lead to the receipt of unsolicited e-mail containing offensive content. You access the Internet at your own risk.

c. Exclusion of Damages: MYcroSchool Net will not be liable to you or any third party for any consequential, incidental, indirect, punitive or special damages (including damages relating to lost profits, lost data, or lost good will) arising out of, relating to, or

connected with the use of the network or services, based on any cause of action, even if advised of the possibility of such damages.

## 20. Arbitration/Choice of Law

All disputes arising out of or relating to this use agreement (including its formation, performance or alleged breach) of your use of MYcroSchool's services or network will be exclusively resolved under confidential binding arbitration held in San Diego, California before and in accordance with the rules of the American Arbitration Association. The arbitrator's award will be binding and may be entered as a judgment in any court of competent jurisdiction. To the fullest extent permitted by applicable law, no arbitration under this use agreement will be joined to an arbitration involving any other party subject to this use agreement, whether through class arbitration proceeding or otherwise.

## 21. Miscellaneous

a. Other Policies Applicable: In your use of the MYcroSchool Net, you must observe and comply with all other policies and guidelines of MYcroSchool, including, but not limited to the following:

- (1) STUDENT HANDBOOKS
- (2) MYCROSCHOOL EMPLOYEE AND/OR STUDENT HANDBOOKS

b. Amendments and Revisions: This Policy may be amended or revised by MYcroSchool from time-to-time as deemed necessary. You will be provided with copies of all amendments and revisions.

c. No Additional Rights: This Policy is not intended to, and does not grant, any contractual rights to Users.
