INDEPENDENT AUDITORS' REPORT

To the Governing Board,
Pinellas MYcroSchool of Integrated
Academics and Technologies, Inc.:

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities and each major fund of Pinellas MYcroSchool of Integrated Academics and Technologies, Inc. ("MYcroSchool Pinellas"), a component unit of The School Board of Pinellas County, as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the MYcroSchool Pinellas's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Pinellas MYcroSchool of Integrated Academics and Technologies, Inc.'s management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of MYcroSchool Pinellas as of June 30, 2021, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

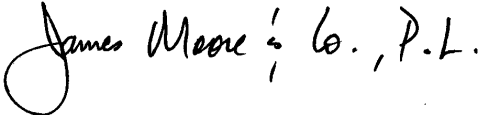

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and other required supplementary information as listed in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 30, 2021 on our consideration of MYcroSchool Pinellas's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering MYcroSchool Pinellas's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2021**

This section of Pinellas MYcroSchool of Integrated Academics and Technologies, Inc.'s annual financial report presents our discussion and analysis of the School's financial performance during the fiscal year that ended on June 30, 2021. Please read it in conjunction with the School's financial statements, which immediately follow this section.

OVERVIEW OF THE FINANCIAL STATEMENTS

The Financial Statements

The financial statements presented herein include all of the activities of the Pinellas MYcroSchool of Integrated Academics and Technologies, Inc. (the "School") using the integrated approach as prescribed by GASB Statement Number 34.

The Government-Wide Financial Statements present the financial picture of the School from the economic resources measurement focus using the accrual basis of accounting. They present governmental activities. These statements include all assets of the School as well as all liabilities. Additionally, certain eliminations have occurred as prescribed by the statement in regards to interfund activity, payables and receivables.

The Fund Financial Statements include statements for the governmental activities. The Governmental Funds are prepared using the current financial resources measurement focus and modified accrual basis of accounting.

Reconciliations of the Fund Financial Statements to the Government-Wide Financial Statements are provided to explain the differences created by the integrated approach.

The Primary unit of the government is the School Board of Pinellas County, Florida.

FINANCIAL HIGHLIGHTS OF THE PAST YEAR

An overview of significant financial information from the current year includes:

- The school's total net position decreased by approximately \$54 thousand.
- Total governmental fund expenditures exceeded revenues by approximately \$129 thousand.
- Capital assets, net of depreciation, decreased by approximately \$14 thousand.
- The School's governmental funds reported combined ending fund balances of approximately \$148 thousand.

MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2021
(Continued)**

REPORTING THE SCHOOL AS A WHOLE

The Statement of Net Position and the Statement of Activities

The *Statement of Net Position* and the *Statement of Activities* report information about the School as a whole and about its activities. These statements include *all* assets and liabilities of the School using the accrual basis accounting, which is similar to the accounting used by most private-sector companies. All of the current year revenues and expenses are taken into account regardless of when cash is received or paid.

These two statements report the School's *net position* and changes in them. Net position is the difference between assets and liabilities, one way to measure the School's financial health, or *financial position*. Over time, *increases or decreases* in the School's net position are one indicator of whether its financial health is improving or deteriorating. Other factors to consider are changes in the School's revenue base and the condition of the School's capital assets.

The relationship between revenues and expenses is the School's operating results. Since the Board's responsibility is to provide services to our students and not to generate profit as commercial entities do, one must consider other factors when evaluating the overall health of the School. The quality of the education and the safety of our schools will likely be an important component in this evaluation.

In the *Statement of Net Position* and the *Statement of Activities*, we designate the School activities as follows:

Governmental activities—All of the School's services are reported in this category. This includes the education of high school students, and the on-going effort to improve and maintain capital assets. Revenues received from the Florida Education Finance Program through the Pinellas County Public School system, Federal grants and miscellaneous local revenues finance these activities.

REPORTING THE SCHOOL'S MOST SIGNIFICANT FUNDS

Fund Financial Statements

The fund financial statements provide detailed information about the most significant funds – not the School as a whole. Some funds are required to be established by State law. However, management may establish various funds to help it control and manage money for particular purposes or to show that it is meeting legal responsibilities for using certain taxes, grants, and other monies that it receives.

Governmental funds—The School's basic services are reported in governmental funds, which focus on how money flows into and out of those funds and the balances left at year-end that are available for spending. These funds are reported using the modified accrual accounting method, which measures cash and all other financial assets that can readily be converted to cash. The governmental fund statements provide a detailed short-term view of the School's general government operations and the basic services it provides. Governmental fund information helps determine whether there are more or fewer financial resources that can be spent in the near future to finance the School's programs. The differences between the governmental fund financial statements and the government-wide financial statements are explained in reconciliations following each governmental fund financial statement.

THE SCHOOL AS A WHOLE

Net Position

The School's net position was approximately \$(114) thousand for the fiscal year ended June 30, 2021. Of this amount, unrestricted funds were negative. Restricted net position are reported separately to show legal constraints from debt covenants grantors, constitutional provisions and enabling legislation that limit the School's ability to use those net position for day-to-day operations. Our analysis below, in summary form, focuses on the net position (Table 1) and change in net position (Table 2) of the School's governmental activities.

MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2021
(Continued)**

THE SCHOOL'S FUNDS

As the School completed this year, the governmental funds reported a combined fund balance of approximately \$148 thousand. (Table 3).

Table 3

	Fund Balance June 30, 2021	Fund Balance June 30, 2020
General Fund	\$ 148,124	\$ 277,229
Totals	\$ 148,124	\$ 277,229

General Fund Budgetary Highlights

During the course of the fiscal year, the School revised its General Fund Budget in order to deal with unexpected changes in revenue and expenditures. The Governing Board adopts its initial budget based on projected enrollment and the corresponding projected revenues. Amendments are primarily required to reflect changes in revenue estimates from the State of Florida Education Finance Program (FEFP) as actual enrollments are determined. A schedule showing the School's original and final budget amounts compared with actual amounts paid and received is provided in budgetary comparison schedules as noted in the table of contents.

CAPITAL ASSET AND DEBT ADMINISTRATION

Capital Assets

At June 30, 2021, the School had \$137,919 in a broad range of capital assets (net of depreciation), including furniture, equipment and building improvements (Table 4).

Totals	\$ 137,919	\$ 151,576

**PINELLAS MYCROSCHOOL OF INTEGRATED
ACADEMICS AND TECHNOLOGIES, INC.
MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2021
(Continued)**

SIGNIFICANT ACTIVITIES DURING FISCAL YEAR 2020-2021 ARE NOTED BELOW:

- The School's enrollment was 165 students.

ECONOMIC FACTORS

The economic position of the school for general operating is closely tied to that of the State. The formula for determining funding for education is set by Statute. State funds to charter schools are provided primarily by legislative appropriations from the State's general revenue funds under the Florida Education Finance Program (FEFP), and the State funding for operations is primarily from sales, gasoline, and corporate income taxes. Additionally, the level of tourism in the State heavily influences the amount of taxes collected. Significant changes in State revenue collections could directly impact future School revenue allocations.

CONTACTING THE SCHOOL'S FINANCIAL MANAGEMENT

This financial report is designed to provide our citizens, taxpayers, students, and creditors with a general overview of the School's finances and to show the School's accountability for the money it receives. If you have questions about this report or need any additional financial information, please write to NEWCorp at 1204 NW 69th Terrace, Suite B, Gainesville, Florida 32605.

RECONCILIATION OF THE GOVERNMENTAL FUNDS STATEMENT OF
REVENUES, EXPENDITURES, AND CHANGES IN FUND BALANCES
TO THE GOVERNMENT-WIDE STATEMENT OF ACTIVITIES
FOR THE YEAR ENDED JUNE 30, 2021**

Total Net Change in Fund Balances - Governmental Funds \$ (129,105)

Amounts reported for governmental activities in the statement of activities are different because:

Capital outlays to purchase or build capital assets are reported in governmental funds as expenditures, however, for governmental activities, those costs are shown in the statement of net position and allocated over their estimated useful lives as annual depreciation expenses in the statement of activities.

This is the amount by which depreciation for the period exceeds capital outlay

Capital outlays	\$ 6,472	
Depreciation expense	(20,130)	\$ (13,658)

The issuance of long-term debt provides current financial resources to governmental funds, while repayment of the principal of long-term debt consumes the current financial resources of governmental funds.

Payment of long-term debt	103,150
---------------------------	---------

Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds. Changes in:

Net pension liability	\$ (19,655)	
Deferred outflows related to net pension liability	20,850	
Deferred inflows related to net pension liability	(15,900)	(14,705)

Change in Net Position of Governmental Activities \$ (54,318)

The accompanying notes are an integral part of this financial statement.

**PINELLAS MYCROSCHOOL OF INTEGRATED

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021**

(1) **Summary of Significant Accounting Policies:**

(a) **Financial reporting entity**—The Pinellas MYcroSchool of Integrated Academics and Technologies, Inc. (the “School”) was organized in 2010 under the laws of the State of Florida. The School operates under a seven-member Board form of government and provides educational services to students in grades nine through twelve. The School is located at 840 Third Avenue S, St. Petersburg, Florida 33701.

The School is a non-profit public benefit corporation that was incorporated November 4, 2010. On October 11, 2011, the School Board of Pinellas County, Florida approved the application for the School to operate a charter. The purpose of the School is to provide educational services.

A reporting entity is comprised of the primary government, component units, and other organizations that are included to ensure the financial statements are not misleading. The primary government of the School consists of all funds, departments, boards, and agencies that are not legally separate from the School. For Pinellas MYcroSchool of Integrated Academics and Technologies, Inc., this includes general operations and student related activities of the School.

(b) **Component units**—Component units are legally separate organizations for which the School is financially accountable. Component units may include organizations that are fiscally dependent on the School in that the School approves their budget, the issuance of their debt or the levying of their taxes. In addition, component units are other legally separate organizations for which the School is not financially accountable but the nature and significance of the organization’s relationship with the School is such that exclusion would cause the School’s financial statements to be misleading or incomplete. The School has no component units. However, the School is considered a component unit of the Pinellas County Public School system.

(c) **Basis of presentation – fund accounting**—The accounting system is organized and operated on a fund basis. A fund is defined as a fiscal accounting entity with a self-balancing set of accounts, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations. The School has three governmental funds.

Governmental funds—Governmental funds are those through which most governmental functions typically are financed. Governmental fund reporting focuses on the sources, uses, and balances of current financial resources. Expendable assets are assigned to the various governmental funds according to the purposes for which they may or must be used. Current liabilities are assigned to the fund from which they will be paid. The difference between governmental fund assets and liabilities is reported as fund balance. The following are the School’s major governmental funds:

**PINELLAS MYCROSCHOOL OF INTEGRATED
ACADEMICS AND TECHNOLOGIES, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021**

(1) **Summary of Significant Accounting Policies:** (Continued)

(c) **Basis of presentation – fund accounting:** (Continued)

(i) **General fund**—The General Fund accounts for all financial resources except those required to be accounted for in another fund. The General Fund balance is available to the School for any purpose provided it is expended or transferred according to the general laws of Florida.

(ii) **Capital Projects Fund**—The capital projects fund is used to account for financial resources to be used for educational capital outlay needs, including new construction, renovation and remodeling projects, and major maintenance projects.

(ii) **Special Revenue Fund**—The special revenue fund is used to account for financial resources to be used for charter school program grants, including Cares funds.

Basis of accounting – measurement focus – Government-wide financial statements—The government-wide financial statements are prepared using the economic resources measurement focus and the accrual basis of accounting.

The government-wide financial statement of activities presents a comparison between direct expenses and program revenues for each governmental program. Direct expenses are those that are specifically associated with a service, program, or department and are therefore clearly identifiable to a particular function. The School does not allocate indirect expenses to functions in the Statement of Activities. Program revenues include charges paid by the recipients of the goods or services offered by the programs and grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Revenues that are not classified as program revenues are presented as general revenues. The comparison of program revenues and expenses identifies the extent to which each program or business segment is self-financing or draws from the general revenues of the School.

Net position should be reported as restricted when constraints placed on net asset use are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments or imposed by law through constitutional provisions or enabling legislation.

Fund financial statements—Fund financial statements report detailed information about the School. The focus of governmental fund financial statements is on major funds rather than reporting funds by type. Each major fund is presented in a separate column.

Governmental funds—All governmental funds are accounted for using a flow of current financial resources measurement focus and the modified accrual basis of accounting. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. The statement of revenues, expenditures, and changes in fund balance reports on the sources (revenues and other financing sources) and uses (expenditures and other financing uses) of current financial resources. This approach differs from the manner in which the governmental activities of the government-wide financial statements are prepared. Governmental financial statements therefore include reconciliations with brief explanations to better identify the relationship between the government-wide financial statements and the statements for the governmental funds prepared on a modified accrual basis of accounting. Under this basis, revenues are recognized in the accounting period in which they become measurable and available. Expenditures are recognized in the accounting period in which the fund liability is incurred, if measurable.

**PINELLAS MYCROSCHOOL OF INTEGRATED
ACADEMICS AND TECHNOLOGIES, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021**

(1) **Summary of Significant Accounting Policies:** (Continued)

(c) **Basis of presentation – fund accounting:** (Continued)

Revenues – exchange and non-exchange transactions—Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded on the accrual basis when the exchange takes place. On a modified accrual basis, revenue is recorded in the fiscal year in which the resources are measurable and become available. Available means that the resources will be collected within the current fiscal year or are expected to be collected soon enough thereafter to be used to pay liabilities within ninety days of fiscal year-end.

Non-exchange transactions, in which the School receives value without directly giving equal value in return, include Florida Education Finance Program funds (FEFP), certain grants, entitlements, and donations. Revenue from the FEFP is recognized in the fiscal year in which the revenues are received. Revenue from certain grants, entitlements, and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied. Eligibility requirements include time and purpose requirements. On a modified accrual basis, revenue from non-exchange transactions must also be available before it can be recognized.

Under the modified accrual basis, the following revenue sources are considered to be both measurable and available at fiscal year-end: State FEFP distributions, interest, certain grants, and other local sources.

Expenses/expenditures—On the accrual basis of accounting, expenses are recognized at the time they are incurred. The measurement focus of governmental fund accounting is on decreases in net financial resources (expenditures) rather than expenses. Expenditures are generally recognized in the accounting period in which the related fund liability is incurred, if measurable. Allocations of costs, such as depreciation and amortization, are not recognized in the governmental funds.

(d) **Cash and cash equivalents**—The School’s cash and cash equivalents are considered to be cash on hand and demand deposits.

(e) **Capital assets and depreciation**—The accounting and reporting treatment applied to the capital assets associated with a fund are determined by its measurement focus. General capital assets are long-lived assets of the School as a whole. The School maintains a capitalization threshold of \$1,000. The School does not possess any infrastructure. Improvements are capitalized; the costs of normal maintenance and repairs that do not add to the value of the asset or materially extend an asset’s life are not capitalized, but are expensed as incurred.

When purchased, such assets are recorded as expenditures in the governmental funds and capitalized. The valuation basis for general capital assets is historical cost, or where historical cost is not available, estimated historical cost based on replacement cost. Donated capital assets are capitalized at estimated fair market value on the date donated.

Depreciation of capital assets is computed and recorded by the straight-line method. Estimated useful lives of the various classes of depreciable capital assets are 5 years for furniture and equipment; and 20 years for building improvements.

**PINELLAS MYCROSCHOOL OF INTEGRATED
ACADEMICS AND TECHNOLOGIES, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021**

(1) **Summary of Significant Accounting Policies:** (Continued)

(f) **Restricted assets**—Restricted assets arise when restrictions on their use change the normal understanding of the availability of the asset. Such constraints are either imposed by creditors, contributors, grantors, or laws of other governments or imposed by enabling legislation.

(g) **Accrued liabilities**—All payables, accrued liabilities, and long-term obligations are reported in the government-wide financial statements.

In general, governmental fund payables and accrued liabilities that, once incurred, are paid in a timely manner and in full from current financial resources are reported as obligations of the funds.

(h) **Fund balances**—As a component unit of the School Board of Pinellas County, the School has implemented GASB 54 during a previous fiscal year.

In accordance with GASB 54, *Fund Balance Reporting and Governmental Fund Type Definitions*, the School classifies governmental funds balances as follows:

Non-spendable—amounts that cannot be spent either because they are in non-spendable form or because they are legally or contractually required to be maintained intact.

Restricted—amounts that are constrained for specific purposes which are externally imposed by providers, such as creditors, or amounts constrained due to constitutional provisions or enabling legislation.

Committed—amounts that are constrained for specific purposes, are internally imposed by the School's governing Board, and do not lapse at year-end. The School had no committed funds at June 30, 2021.

Assigned—amounts that are intended to be used for specific purposes that are neither considered restricted nor committed. Fund balance minimums may be assigned by management. The School had no assigned funds at June 30, 2021.

Unassigned—all other spendable amounts.

The School spends *restricted* amounts first when both restricted and unrestricted fund balances are available, unless there are legal documents or contracts that prohibit this action, such as a grant agreement. The School spends *committed* amounts next, then *assigned*, and lastly *unassigned* amounts of unrestricted funds balances when expenditures are made.

The School has not adopted a formal minimum fund balance policy but budgets to strive for a minimum general fund balance of five percent of current year expenditures.

(i) **Estimates**—The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

**PINELLAS MYCROSCHOOL OF INTEGRATED
ACADEMICS AND TECHNOLOGIES, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021**

(1) **Summary of Significant Accounting Policies:** (Continued)

(j) **Budgetary data**—The budgetary process is prescribed by provisions of the laws of Florida and requires the governing board to adopt an operating budget each year. The School governing board satisfied these requirements. The adopted budget is subject to amendment throughout the year to give consideration to unanticipated revenue and expenditures primarily resulting from events unknown at the time of budget adoption with the legal restriction that expenditures cannot exceed appropriations by major function at year end.

The amounts reported as the original budgeted amounts in the budgetary statements reflect the amounts when the original appropriations were adopted. The amounts reported as the final budgeted amounts in the budgetary statements reflect the amounts after all budget amendments have been accounted for.

(k) **Income taxes**—The School is exempt from the payment of income taxes on its exempt activities under Section 501(c)(3) of the Internal Revenue Code. Therefore, no provision for income taxes has been made in the accompanying financial statements.

The School files income tax returns in the U.S. Federal jurisdiction. The School's income tax returns for the past three years are subject to examination by tax authorities and may change upon examination.

The School has reviewed and evaluated the relevant technical merits of each of its tax positions in accordance with accounting principles generally accepted in the United States of America for accounting for uncertainty in income taxes, and determined that there are no uncertain tax positions that would have a material impact on the financial statements of the School.

(l) **Pensions**—For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Florida Retirement System (FRS) and additions to/deductions from FRS's fiduciary net position have been determined on the same basis as they are reported by FRS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

(m) **Subsequent events**—Subsequent events have been evaluated through September 30, 2021, which is the date the financial statements were available to be issued. No subsequent events have been recognized or disclosed.

(2) **Cash and Cash Equivalents:**

(a) **Policies and practices**—The School maintains demand deposits with qualified depository financial institutions.

(b) **Deposits**—At year-end, the carrying amounts of the School's demand deposits were \$75,729 for governmental activities. The bank balances totaled \$204,122. All of the bank balances were covered by Federal deposit insurance up to \$250,000.

**PINELLAS MYCROSCHOOL OF INTEGRATED
ACADEMICS AND TECHNOLOGIES, INC.
NOTES TO FINANCIAL STATEMENTS

(3) **Capital Assets:**

All capital asset additions were acquired with public funds. Capital asset activity for the fiscal year ended June 30, 2021, was as follows:

	Balance July 1, 2020	Additions	Deductions	Balance June 30, 2021
Governmental Activities				
Capital assets being depreciated				
Buildings and improvements	\$ 218,387	\$ –	\$ –	\$ 218,387
Furniture and equipment	164,726	6,473	–	171,199
Total capital assets being depreciated	<u>383,113</u>	<u>6,473</u>	<u>–</u>	<u>389,586</u>
Less: Accumulated depreciation				
Buildings and improvements	87,681	10,643	–	98,324
Furniture and equipment	143,856	9,487	–	153,343
Total accumulated depreciation	<u>231,537</u>	<u>20,130</u>	<u>–</u>	<u>251,667</u>
Governmental activities				
Capital assets, net	<u>\$ 151,576</u>	<u>\$ (13,657)</u>	<u>\$ –</u>	<u>\$ 137,919</u>

During the year ended June 30, 2021, \$20,130 was charged to depreciation expense.

Governmental Activities

Unallocated \$ 20,130

(4) **Florida Retirement System:**

Plan Description and Administration

The School participates in the Florida Retirement System (FRS), a multiple-employer, cost sharing defined public employee retirement system which covers all of the School's full-time employees. The System is a noncontributory retirement plan, administered by the State of Florida, Department of Administration, Division of Retirement to provide retirement and survivor benefits to participating public employees. Provisions relating to the FRS are established by Chapters 121 and 122, Florida Statutes; Chapter 112, Part IV, Florida Statutes; Chapter 238, Florida Statutes; and FRS Rules, Chapter 60S, Florida Administrative Code; wherein eligibility, contributions, and benefits are defined and described in detail. The FRS is a single retirement system administered by the Department of Management Services, Division of Retirement, and consists of two cost-sharing, multiple-employer retirement plans and other nonintegrated programs. These include a defined-benefit pension plan (Plan), with a Deferred Retirement Option Program (DROP), and a defined-contribution plan, referred to as the FRS Investment Plan (Investment Plan).

**PINELLAS MYCROSCHOOL OF INTEGRATED
ACADEMICS AND TECHNOLOGIES, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021**

(4) **Florida Retirement System:** (Continued)

In addition, all regular employees of the School are eligible to enroll as members of the Retiree Health Insurance Subsidy (HIS) Program. The HIS is a cost-sharing, multiple-employer defined benefit pension plan established and administered in accordance with section 112.363, Florida Statutes. The benefit is a monthly payment to assist retirees of the state-administered retirement systems in paying their health insurance costs. Eligible retirees and beneficiaries received a monthly HIS payment equal to the number of years of service credited at retirement multiplied by \$5. The minimum payment is \$30 and the maximum payment is \$150 per month, pursuant to section 112.363, Florida Statutes. To be eligible to receive a HIS benefit, a retiree under one of the state-administered retirement systems must provide proof of eligible health insurance coverage, which can include Medicare.

Benefits Provided and Employees Covered

Employees enrolled in the Plan prior to July 1, 2011, vest at six years of creditable service and employees enrolled in the Plan on or after July 1, 2011, vest at eight years of creditable service. All vested members, enrolled prior to July 1, 2011, are eligible for normal retirement benefits at age 62 or at any age after 30 years of service. All members enrolled in the Plan on or after July 1, 2011, once vested, are eligible for normal retirement benefits at age 65 or any time after 33 years of creditable service. Members of both Plans may include up to four years of credit for military service toward creditable service. The Plan also includes an early retirement provision; however, there is a benefit reduction for each year a member retires before his or her normal retirement date. The Plan provides retirement, disability, death benefits, and annual cost-of-living adjustments. Benefits under the Plan are computed on the basis of age and/or years of service, average final compensation, and service credit. Credit for each year of service is expressed as a percentage of the average final compensation. For members initially enrolled before July 1, 2011, the average final compensation is the average of the five highest fiscal years' earnings; for members initially enrolled on or after July 1, 2011, the average final compensation is the average of the eight highest fiscal years' earnings. The total percentage value of the benefit received is determined by calculating the total value of all service, which is based on the retirement plan and/or class to which the member belonged when the service credit was earned.

Deferred Retirement Option Program (DROP), subject to provisions of Section 121.091, Florida Statutes, permits employees eligible for normal retirement under the Plan to defer receipt of monthly benefit payments while continuing employment with an FRS employer. An employee may participate in DROP for a period not to exceed 60 months after electing to participate, except that certain instructional personnel may participate for up to 96 months.

During the period of DROP participation, deferred monthly benefits are held in the FRS Trust Fund and accrue interest.

Employees may elect to participate in the Investment Plan in lieu of the FRS defined-benefit plan. Employer and employee contributions are defined by law, but the ultimate benefit depends in part on the performance of investment funds. The Investment Plan is funded by employer and employee contributions that are based on salary and membership class (Regular, DROP, etc.). Contributions are directed to individual member accounts, and the individual members allocate contributions and account balances among various approved investment choices. Employees in the Investment Plan vest at one year of service.

Financial Statements

Financial statements and other supplementary information of the FRS are included in the State's Comprehensive Annual Financial Report, which is available from the Florida Department of Financial Services, Bureau of Financial Reporting Statewide Financial Reporting Section by mail at 200 E. Gaines Street, Tallahassee, Florida 32399-0364; by telephone at (850) 413-5511; or at the Department's Web site (www.myfloridacfo.com). An annual report on the FRS, which includes its financial statements, required supplementary information, actuarial report, and other relevant information, is available from:

Florida Department of Management Services
Division of Retirement, Research and Education Services
P.O. Box 9000
Tallahassee, FL 32315-9000
850-488-5706 or toll free at 877-377-1737

Contributions

The School participates in certain classes of FRS membership. Each class has descriptions and contribution rates in effect at June 30, 2020, as follows (contribution rates are in agreement with the actuarially determined rates):

FRS Membership Plan & Class	Through June 30, 2020	After June 30, 2020
Regular Class	8.47%	10.00%
DROP	14.60%	16.98%
Senior Management	25.41%	27.29%

Actual contributions made for School employees participating in FRS and HIS for the plan year ended June 30, 2021, were as follows:

School Contributions – FRS	\$ 19,517
School Contributions – HIS	6,735
Employee Contributions – FRS	12,172

(4) **Florida Retirement System:** (Continued)

Net Pension Liability, Pension Expense, and Deferred Outflows and Inflows of Resources Related to Pensions

At June 30, 2021, the School reported a net pension liability related to FRS and HIS as follows:

<u>Plan</u>	<u>Net Pension Liability</u>
FRS	\$ 254,589
HIS	142,704
Total	<u>\$ 397,293</u>

The net pension liability was measured as of June 30, 2020, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The employer proportion of the net pension liability was based on a projection of the School's long-term share of contributions to the pension plan relative to the projected contributions of all participating governmental entities, as actuarially determined. At June 30, 2021 and June 30, 2020, the School's proportionate share of the FRS and HIS net pension liabilities were as follows:

<u>Plan</u>	<u>2021</u>	<u>2020</u>
FRS	0.000587402%	0.000694569%
HIS	0.001168765%	0.001237269%

For the plan year ended June 30, 2021, pension expense was recognized related to the FRS and HIS plans as follows:

FRS	\$ 43,325
HIS	11,382
Total	<u>\$ 54,707</u>

**PINELLAS MYCROSCHOOL OF INTEGRATED
ACADEMICS AND TECHNOLOGIES, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021**

(4) **Florida Retirement System:** (Continued)

Net Pension Liability, Pension Expense, and Deferred Outflows and Inflows of Resources Related to Pensions (Continued)

Deferred outflows/inflows related to pensions:

At June 30, 2021, deferred outflows of resources and deferred inflows of resources related to pensions were recorded from the following sources:

	FRS		HIS	
	Deferred Outflows of Resources	Deferred Inflows of Resources	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 9,744	\$ –	\$ 5,837	\$ (110)
Changes of assumptions	46,089	–	15,345	(8,298)
Net different between projected and actual investment earnings	15,158	–	114	–
Change in proportionate share	16,236	(93,160)	18,741	(68,847)
Contributions subsequent to measurement date	31,555	–	8,439	-
	<u>\$ 118,782</u>	<u>\$ (93,160)</u>	<u>\$ 48,476</u>	<u>\$ (77,255)</u>

The above amounts for deferred outflows of resources for contributions related to pensions resulting from employer contributions subsequent to the measurement date and will be recognized as a reduction of the net pension liability in the year ended June 30, 2022.

Other amounts reported as deferred outflows and deferred inflows of resources related to pensions being amortized for a period of greater than one year will be recognized in pension expense in succeeding years as follows:

Year	Amount
2022	\$ (6,134)
2023	(3,384)
2024	(4,171)
2025	(12,543)
2026	(15,659)
Thereafter	(1,260)
Total	<u>\$ (43,151)</u>

**PINELLAS MYCROSCHOOL OF INTEGRATED
ACADEMICS AND TECHNOLOGIES, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021**

(4) **Florida Retirement System:** (Continued)

Actuarial assumptions:

The actuarial assumptions for both defined benefit plans are reviewed annually by the Florida Retirement System Actuarial Assumptions Conference. The FRS has a valuation performed annually. The HIS Program has a valuation performed biennially that is updated for GASB reporting in the year a valuation is not performed. The most recent experience study for the FRS was completed in 2019 for the period July 1, 2003, through June 30, 2018. Because HIS is funded on a pay-as-you-go basis, no experience study has been completed.

The total pension liability for each of the defined benefit plans was determined by an actuarial valuation, using the entry age normal actuarial cost method. Inflation increases for both plans is assumed at 2.40%. Payroll growth, including inflation, for both plans is assumed at 3.25%. Both the discount rate and the long-term expected rate of return used for FRS investments is 6.80%. This rate decreased from the prior year rate, which was 6.90%. The plan's fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the discount rate for calculating the total pension liability is equal to the long-term expected rate of return. Because HIS Program uses a pay-as-you-go funding structure, a municipal bond rate of 3.35% was used to determine the total pension for the program. This rate decreased from the prior year rate, which was 3.50%. Mortality assumptions for both plans were based on the PUB2010 base table varies by member category and sex, projected generationally with Scale MP-2018 details.

Long-term expected rate of return:

To develop an analytical basis for the selection of the long-term expected rate of return assumption, in October 2020, the FRS Actuarial Assumptions conference reviewed long-term assumptions developed by both Milliman's capital market assumptions team and by a capital market assumptions team from Aon Hewitt Investment Consulting, which consults to the Florida State Board of Administration. The table below shows Milliman's assumptions for each of the asset classes in which the plan was invested at that time based on the long-term target asset allocation. The allocation policy's description of each asset class was used to map the target allocation to the asset classes shown below. Each asset class assumption is based on a consistent set of underlying assumptions, and includes an adjustment for the inflation assumption. These assumptions are not based on historical returns, but instead are based on a forward-looking capital market economic model.

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Arithmetic Expected Rate of Return</u>
Cash	1.0%	2.2%
Fixed income	19.0%	3.0%
Global equities	54.2%	8.0%
Real estate	10.3%	6.4%
Private equity	11.1%	10.8%
Strategic investments	4.4%	5.5%
Total	<u>100.0%</u>	

**PINELLAS MYCROSCHOOL OF INTEGRATED
ACADEMICS AND TECHNOLOGIES, INC.

(4) **Florida Retirement System:** (Continued)

Sensitivity of the net pension liability to changes in the discount rate:

The following presents the proportionate shares of the FRS and HIS net pension liability of the School calculated using the current discount rates, as well as what the School's net pension liability would be if it were calculated using a discount rate that is 1% lower or 1% higher than the current rate:

<u>Plan</u>	<u>Current Discount Rate</u>	<u>NPL with 1% Decrease</u>	<u>NPL at Current Discount Rate</u>	<u>NPL with 1% Increase</u>
FRS	6.80%	\$ 406,535	\$ 254,589	\$ 127,682
HIS	2.21%	164,960	142,704	124,488

(5) **Risk Management:**

The School is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters and is provided through purchased commercial insurance. Health and hospitalization insurance coverage is provided to school employees through purchased commercial insurance. Insurance coverage for fiduciary and student accident are provided by commercial insurance. Settled claims resulting from insurance coverage above have not exceeded purchased insurance coverage for the past three fiscal years.

(6) **Related Party Transactions:**

The School has a vendor relationship with New Education for the Workplace, Inc., 1204 NW 69th Terrace, Suite B, Gainesville, Florida 32605. New Education for the Workplace, Inc. is an organization formed for charitable purposes, including advancing the vocational and technical education and training of young men and women, and managing, operating, guiding, directing, and promoting charter schools. The School entered into an agreement with New Education for the Workplace, Inc. effective July 1, 2017. Under the agreement, New Education for the Workplace, Inc. will provide the following services: human resources administration, business administration, curriculum licensing, technology services, and general administrative support. For the year ended June 30, 2021, the School paid New Education for the Workplace, Inc. \$217,529 for services provided under the terms of the agreement. At June 30, 2021, \$57,326 was due and payable to New Education for the Workplace, Inc. under the terms of the agreement.

(7) **403(b) Retirement Plan:**

New Education sponsors a Retirement Plan allowed by Section 403(b) of the Internal Revenue Code. This plan covers New Education, the Management Company, and affiliated schools. The plan covers all full-time employees, immediately eligible upon hire. This is a deduction only plan for School employees, there is no employee contribution matching.

**PINELLAS MYCROSCHOOL OF INTEGRATED
ACADEMICS AND TECHNOLOGIES, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021**

(8) Operating Leases:

The School leases facilities and equipment under non-cancelable operating leases. The School's current facilities lease expires on July 31, 2022. Provided the lease is in full force and effect and not in default, the School shall have the right to renew the lease for two five-year terms upon providing the landlord with written notice.

Minimum future rental payments under operating leases (including estimated Common Area Maintenance fees) having remaining terms in excess of one year, for each of the next five years and in the aggregate are:

<u>Year</u>	<u>Amount</u>
2021	\$ 133,304
2022	12,776
2023	1,788
2024	447
2025	-
Thereafter	-
Total	<u>\$ 148,315</u>

(9) Due From/To Other Funds:

The following is a summary of inter-fund amounts related to capital project and special revenue fund expenditures paid out of the general fund account at June 30, 2021:

<u>Receivable Fund</u>	<u>Payable Fund</u>	<u>Amount</u>
General Fund	Special Revenue Fund	<u>\$ 134,457</u>

(10) Contingency

During the year ended June 30, 2021, local, U.S., and world governments have encouraged self-isolation to curtail the spread of the global pandemic, coronavirus disease (COVID-19), by mandating temporary work stoppage in many sectors and imposing limitations on travel and size and duration of group meetings. Most industries are experiencing disruption to business operations and the impact of reduced consumer spending. There is unprecedented uncertainty surrounding the duration of the pandemic, its potential economic ramifications, and any government actions to mitigate them. Accordingly, while management cannot quantify the financial and other impact to the School as of September 30, 2021, management believes that a material impact on the School's financial position and results of future operations is reasonably possible.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021**

(11) **Recent Accounting Pronouncements:**

The Governmental Accounting Standards Board (“GASB”) has issued several pronouncements that have effective dates that may impact future financial statements. Listed below are pronouncements with required implementation dates effective for subsequent fiscal years that have not yet been implemented. Management has not currently determined what, if any, impact implementation of the following will have on the School’s financial statements:

GASB issued Statement No. 87, *Leases*, in June 2017. GASB 87 increases the usefulness of governments’ financial statements by requiring recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract. It establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. The provisions in GASB 87 are effective for periods beginning after June 15, 2021.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Governing Board,
Pinellas MYcroSchool of Integrated
Academics and Technologies, Inc.:

We have audited in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities, and each major fund of Pinellas MYcroSchool of Integrated Academics and Technologies, Inc. ("MYcroSchool Pinellas"), a component unit of The School Board of Pinellas County, as of and for the year ended June 30, 2021, and related notes to the financial statements which collectively comprise MYcroSchool Pinellas's basic financial statements and have issued our report thereon dated September 30, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered MYcroSchool Pinellas's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of MYcroSchool Pinellas's internal control. Accordingly, we do not express an opinion on the effectiveness of MYcroSchool Pinellas's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

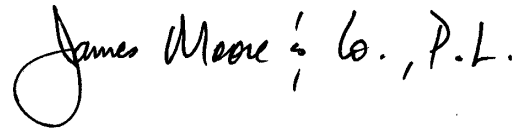

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether MYcroSchool Pinellas's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests did not disclose instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

A handwritten signature in black ink that reads "James Moore & Co., P.L.". The signature is written in a cursive style with a large initial "J" and a stylized "M".

Tallahassee, Florida

**MANAGEMENT LETTER OF INDEPENDENT AUDITORS
REQUIRED BY CHAPTER 10.850, RULES OF THE AUDITOR GENERAL**

To the Governing Board,
Pinellas MYcroSchool of Integrated
Academics and Technologies, Inc.:

Report on the Financial Statements

We have audited the financial statements of the Pinellas MYcroSchool of Integrated Academics and Technologies, Inc. (“MYcroSchool Pinellas”), a component unit of School Board of Pinellas County, Florida, as of and for the year ended June 30, 2021, and have issued our report thereon dated September 30, 2021.

Auditor’s Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and Chapter 10.850, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Independent Auditors’ Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*. Disclosures in that report, which is dated September 30, 2021, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.854(1)(e)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. Corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report

Official Title

Section 10.854(1)(e)5., Rules of the Auditor General, requires that the name or official title of the entity and the school code assigned by the Florida Department of Education be disclosed in this management letter. The official title and the school code assigned by the Florida Department of Education of the entity are Pinellas MycroSchool of Integrated Academics and Technologies and 527491.

Financial Condition and Management

Sections 10.854(1)(e)2. And 10.855(11), Rules of the Auditor General, require us to apply appropriate procedures and communicate whether or not the MYcroSchool Pinellas has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and identification of the specific condition(s) met. In connection with our audit, we determined that MYcroSchool Pinellas did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.854(1)(e)6.a. and 10.855(12), Rules of the Auditor General, we applied financial condition assessment procedures for the MYcroSchool Pinellas. It is management's responsibility to monitor the MYcroSchool Pinellas's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.

Section 10.854(1)(e)3., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Transparency

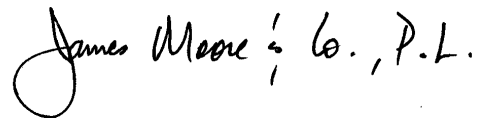

Sections 10.854(1)(e)7. and 10.855(13), Rules of the Auditor General, require that we apply appropriate procedures to determine whether the MYcroSchool Pinellas maintains on its Web site the information specified in Section 1002.33(9)(p), Florida Statutes. In connection with our audit, we determined that the MYcroSchool Pinellas maintained on its Web site the information specified in Section 1002.33(9)(p), Florida Statutes.

Additional Matters

Section 10.854(1)(e)4., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, no such items noted.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, Pinellas County District School Board, the Board of Directors, and applicable management and is not intended to be and should not be used by anyone other than these specified parties.

James Moore & Co., P.L.

Tallahassee, Florida
